**November 2021**

# The Audi e-tron.

Immerse yourself in the exciting world of electromobility with the Audi e-tron and help shape the future. Our first fully electric vehicle, a companion for a new time. This pricelist will make it easy for you to build your e-tron, taking you through all the model and option choices. The online configurator is also available to build your dream car.

Note: vehicle depicted may contain equipment not currently available for the South African market.

Models

Models	Battery (kW)	Power output (kW)	Torque (Nm)	Electric Consumption combined (WLTP) (kWh/100 km)	CO <sub>2</sub> emissions (g/km)	Electric range** Combined (WLTP) (km)	0 – 100 km/h (sec)	Top speed (km/h)	RRP*
55 quattro advanced	95	300	664	24.2 - 22.0 (NEDC)	0	369 - 440	5.7	200	R1,990,000
55 quattro S line	95	300	664	24.2 - 22.0 (NEDC)	0	369 - 440	5.7	200	R2,045,000

Fuel consumption and CO<sub>2</sub> data applies to the German Market. The specified values are determined in accordance with certain test procedures. The specifications do not refer to an individual vehicle but serve only as a basis for comparing the different types of vehicles. In addition, the consumption figures achieved during normal driving may differ from the test values, depending in particular on special equipment fitted, vehicle loading, personal driving style, road and traffic conditions, environmental factors and conditions of the car.

\* RRP is inclusive of VAT, CO<sub>2</sub> emissions tax and a 5 year/100,000km Audi FreewayPlan

\*\* Figures depend on the equipment selected

## Standard Equipment: e-tron 55 advanced & S line

### Wheels

- ▶ Anti-theft wheel bolts and loose wheel warning
- ▶ Collapsible spare tyre
- ▶ Direct tyre pressure monitoring system
- ▶ Disc brakes in front & rear, 18-inch
- ▶ Tool kit and jack
- ▶ Audi Sport wheels, 5-double-spoke edge style, Matte Titanium grey, diamond-turned, 9.0J x 20, 255/50 R20 tyres (e-tron 55 Advanced only)
- ▶ Wheels, 5-arm turbine style, Graphite grey, diamond-turned, 9.5J x 21, 265/45 R21 tyres (S line only)

### Interior equipment

- ▶ 12-volt outlet
- ▶ 4-way lumbar support for the front seats
- ▶ 4-zone climate control system
- ▶ Contour ambient lighting package (multi-colour)
- ▶ Anti-theft alarm system
- ▶ Auto-dimming interior rearview mirror, frameless
- ▶ Comfort centre armrest in front
- ▶ Decorative inserts in graphite grey fine paint
- ▶ Driver and front passenger airbag with front passenger airbag deactivation
- ▶ First aid kit with warning triangle and safety vests
- ▶ Floor mats in front and rear
- ▶ Glossy Black operating buttons with haptic feedback and aluminum look interior
- ▶ Head restraints in front
- ▶ Headliner in fabric, specific color
- ▶ ISOFIX child seat anchors and top tether for the rear bench seat
- ▶ ISOFIX child seat anchors for front passenger seat
- ▶ Leather-wrapped multi-function steering wheel,

3-spoke, with shift paddles

- ▶ Luggage compartment floor mat
- ▶ Manual luggage compartment cover
- ▶ Power front seats with memory feature for driver seat
- ▶ Manual steering wheel adjustment column
- ▶ Seat heaters in front
- ▶ Standard heat output
- ▶ Standard seats in front
- ▶ Stationary air conditioning
- ▶ Storage and Luggage Compartment package
- ▶ Sun visor on driver and front passenger side
- ▶ Upper part of dashboard in leatherette

### Safety & Convenience

- ▶ Audi pre sense rear
- ▶ Comfort key with sensor-controlled luggage compartment release
- ▶ Lane change assistant with exit warning system and rear cross traffic alert
- ▶ Luggage compartment lid, electrically opening and closing
- ▶ Parking aid Plus
- ▶ Rear view camera system
- ▶ Seat belt reminder
- ▶ Service indicator 30 000 km or 2 years ( fix ) electric vehicle
- ▶ Side airbags in front and curtain airbag system
- ▶ With multifunction camera

## Standard Equipment: e-tron 55 advanced & S line

### Performance & suspension

- ▶ Adaptive air suspension (advanced models only)
- ▶ Adaptive air suspension sport (S line only)
- ▶ Cruise control system with speed limiter
- ▶ Progressive steering
- ▶ quattro

### Audio & Communication

- ▶ Audi connect Emergency Call & Service
- ▶ Audi connect Navigation & Infotainment
- ▶ Audi music interface
- ▶ Audi smartphone interface
- ▶ Audi virtual cockpit plus
- ▶ Bang & Olufsen premium sound system with 3D sound
- ▶ Bluetooth interface
- ▶ MMI Navigation plus with MMI touch response

### Lighting

- ▶ Separate daytime running light
- ▶ Matrix LED headlamps with dynamic light design and dynamic turn signal

### Exterior equipment

- ▶ Advanced bumpers in contrasting paint (Advanced only)
- ▶ Adaptive windshield wipers with integrated washer nozzles
- ▶ Exterior mirror housings painted in body color
- ▶ Exterior mirrors, power-adjustable, heated and power-folding, auto-dimming on both sides, with memory feature
- ▶ High-gloss styling package
- ▶ Rear spoiler

- ▶ Side and rear windows with heat-reflecting glass
- ▶ S line bumpers in full body paint (S line only)
- ▶ Scuff plates with aluminum inserts in front and rear (Advanced only)
- ▶ Scuff plates with aluminum inserts in front and rear, illuminated, with "S" logo in front (S line only)
- ▶ Windshield with heat-reflecting glass and acoustic glass

### Electric specifications

- ▶ e-tron charging system "compact"
- ▶ High-voltage battery 95 kWh (gross)
- ▶ Household plug type M for the e-tron charging system
- ▶ Industrial plug CEE 32 A, 230 V, long and straight, for the e-tron charging system
- ▶ Mode 3 charging cable for public charging 22 kW (AC)
- ▶ On-board charger 11kW (AC)
- ▶ Vehicle charging cable
- ▶ Vehicle inlet CCS type 2
- ▶ Wall bracket

5TG	<b>Decorative inserts in Matte Brushed Aluminum, dark</b>	R8,100	R8,100
5MG	<b>Decorative inserts in Natural Burr Walnut</b>	R11,100	R11,100
5MB	<b>Decorative inserts in Volcano Gray Natural Fine Grain Ash</b>	R11,000	R11,000

Optional equipment		55 advanced	55 S line
Safety and Assistance systems			
PCZ	<b>360-degree cameras + Parking aid Plus with 360° display</b> Assists with entering and exiting parking spaces and with manoeuvring forwards and backwards by providing acoustic signals and visual display with virtual driving path display.	R15,000	R15,000
6K8	<b>Audi pre sense front</b> Within system limits and depending on the situation and speed, Audi pre sense front can warn of imminent collisions and initiate suitable braking. The safety measures offered by Audi pre sense front include: <ul style="list-style-type: none"><li>· tensioning of the front and, if available, the outer rear seat belts</li><li>· optimisation of the seat position</li><li>· activation of the hazard warning lights to alert other road users</li><li>· closing of the windows and the panoramic glass sunroof (if ordered)</li></ul>	R8,100	R8,100
KS1	<b>Head-up display</b> The multicoloured head-up display is rich in contrast and projects driver information into the driver’s direct field of view. It is highly visible and reduces distraction from the traffic.	R27,900	R27,900
6I5	<b>Lane departure warning with emergency assist</b> The system warns the driver if the lane marking is inadvertently crossed. Steering pulses help the driver stay in lane. The integrated emergency assist can warn the driver of critical situations and, if necessary, initiate safety measures, such as optimisation of the seat position, and, if available, place an emergency call	R7,100	R7,100
9R1	<b>Night vision assistant</b>	R43,200	R43,200
7X5	<b>Park assist with parking aid plus</b> The system detects suitable parking spaces. Precise steering manoeuvres actively support you when entering or exiting parking spaces. Depending on steering angle and lane, a visual display warns the driver of obstacles at the sides.	R8,400	R8,400
4X9	<b>Audi pre sense rear package</b> The package includes a selection of functions that increase the safety and comfort of occupants sitting on the rear seat bench. These include side airbags in the rear to supplement the front side airbags and the head airbag system. Both offer additional protection for rear passengers within system limits if required. Reversible rear seat belt tensioners supplement the reversible front seat belt tensioners contained in Audi pre sense basic. In addition to the measures included in Audi pre sense basic, the seat belts are tensioned early in response to emergency or evasive braking and when handling at the absolute limits of performance. This reduces the forward and lateral movement of the occupants in the rear. Illuminated belt buckles increase convenience for occupants and enhance the appearance of the interior with subtle, high-quality lighting. Searching around for the seat belt buckle in the dark has become a thing of the past.	R14,500	R14,500
4X4	<b>Side airbags in front and rear and curtain airbag system</b> For the outer seats of the second seat row, to supplement the side airbags, front and head airbag system	R8,900	R8,900

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle. System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply.

Optional equipment		55 advanced	55 S line
Exterior equipment

# Important information

## Welcome to Audi

### Audi Freeway Plan | Motoring Peace of Mind

There can be no better motoring peace of mind than knowing that your car will be serviced, maintained and repaired, should this prove necessary, at no cost to you. Thanks to Audi Freeway Plan, that peace of mind could be yours.

The Audi Freeway Plan absorbs all maintenance and service costs, with the exception of between-service top-up fluids, fuel, cracked or broken glass, and tyres.

A five-year or 100 000 km Audi Freeway Plan is included as standard on all new Audi vehicles.

Top-up options to extend maintenance up to 10 years, or 300 000 km are available at extremely competitive rates. Audi has specially designed the Audi Freeway Plan for easy operation on the part of the owner. Making an appointment with any one of our approved Audi Servicing Dealers can effect regular servicing and maintenance as well as repairs (with the exception of accident damage).

All work is handled by the relevant service department, which will liaise directly with the Audi Freeway Plan Maintenance Unit. No extra effort or payment is required from the Audi owner. The Audi Freeway Plan is registered with the vehicle and as such is transferable to the new owner should the car be sold before the Audi Freeway Plan has expired, giving added resale value. The Audi Freeway Plan is available in addition to the Audi's standard one-year/unlimited distance vehicle warranty. The Audi Freeway Plan is subject to certain exclusions, covers any repairs necessary after the expiry of the standard warranty.

### Audi Assist | Emergency and Personal Assistance

Audi Assist is a programme whereby Audi of South Africa and its Dealer Network pledge to provide you with peace of mind motoring by providing the infrastructure to support a countrywide emergency service 24 hours a day, every day.

The programme is known as Audi Assist and operates within the borders of South Africa as well as Namibia and Botswana. The objective of the programme is to ensure on the spot roadside assistance offered by a fully equipped and trained Audi technician.

The primary focus is to get you mobile in your own vehicle. Where a roadside repair cannot be effected and the vehicle needs to be towed to the nearest Audi dealer, you and the occupants of the vehicle will be transported to a place of safety in the dealer's roadside assistance vehicle.

Contact details within South Africa:

086 043 4838

Contact details for neighbouring states:

+27 41 994 5616

24 hours a day, 7 days a week

Vehicle model and VIN number will be required.
